How do I submit a Client Rating?

Submitting a Client Rating is easy, and it takes just a minute or two - but it can be incredibly helpful to Awo users who are looking for an attorney. You can submit a rating from either the Overview tab or the client ratings tab on the lawyer's profile page. You may only submit a rating if you are or were a client of the attorney.

I submitted a Client Rating. Why hasn't it appeared on the website?

Our team reviews every submission before posting it, to ensure that ratings are helpful to consumers, and are not "spam." The review process generally takes no longer than 24 hours.

How do you know client ratings are written by actual clients?

We take several steps to maintain the quality of ratings: We require users to register before submitting a rating, and we carefully review every Client Rating before we post it. We also rely on the Awo community, so please let us know if you see a rating that seems suspicious or incorrect.
